

Financial Aid You Can Eat

Get more groceries
each month with SNAP

**SNAP is a program that works like financial aid,
but for food.**

Most low-income 2- and 4-year Massachusetts students qualify. An eligible student may receive up to \$292/month in SNAP benefits. Students living with spouses or children may qualify for more.

You have the right to apply for SNAP online, by phone, mail/fax, or in-person at a local DTA office. If you are denied SNAP, you can call legal services for help.

**Students can apply for SNAP
online through DTAConnect.com**
